Thank you for choosing San Francisco Police Activities League (SFPAL). Since 1959 we have been building community by organizing youth sports and healthy activities that develop personal character and foster a positive relationship among police officers, youth and dedicated volunteers. We are a stand alone nonprofit organization and we do not receive city funding. Instead we rely heavily on corporate, foundation and especially individual donations so that we can keep our participation fees to a minimum and continue to waive fees when necessary. (Please be aware – we do not make telephone calls to solicit funds and if you give to organizations who represent themselves as PAL your donation will not support SFPAL.) Currently it costs well over \$250 to put a football player or cheerleader on the field. SFPAL's goal to keep participant costs as low as possible charges a \$100 participant fee and fundraises the rest of the cost. We ask you to help us ensure that all children – without regard to their ability to pay – can participate in worthwhile programs.
