**What is the PAL Cadet Program?**

Since 1959, hundreds of San Francisco youth have developed new leadership and careers skills as a San Francisco PAL Law Enforcement Cadet.

PAL Law Enforcement Cadets engage in activities centered on the five emphasis areas of the Learning for Life program: career and job skills development, leadership experience, life skills learning, character education, and community service.

Following successful completion of the PAL Summer Cadet Academy, graduates will be placed in a year-long internship position at an SFPD station or bureau. Additionally, PAL Cadets meet weekly for training and community service activities such as: education in proper police procedures and techniques, participate in police ride-alongs, and assist in charitable and civic events alongside SFPD.

Minimum qualifications: Youth must be between the ages of 14-20, reside or attend school in San Francisco, be enrolled in high school or college, have and maintain a 2.0 GPA, and pass a SFPD criminal history background check.
