SECTION 1

Historical Overview of the SFPAL

SFPAL builds community by organizing youth sports and healthy activities that develop personal character and foster positive relationships among police officers, youth, and dedicated volunteers.

Since 1959, thousands of San Francisco youth have participated in PAL activities – kids on every block and every zip code have benefited from the dedication of volunteer adult mentors and role models. From a meager beginning and a handful of kids, SFPAL currently serves almost 1200 youth annually with the help of 100 civilians and police volunteer coaches and mentors through a variety of sports and leadership activities. While many of our volunteers are parent coaches, a significant proportion of our volunteers are PAL alumni themselves who benefited from the program themselves in their youth and choose to give back to the youth in their community with their time, energy, and commitment.

The San Francisco PAL 49ers, formerly known as Seahawks, were the first SFPAL youth team in San Francisco. Ironically it is the only remaining PAL Football Team that has continued intact since the inception of the program in 1959. The first head coach was John Finney. He was a volunteer with the football program for nearly 10 years. Finney stated that his motivation was to provide a positive activity for high-risk youth. The program was established in the Western Addition and has remained in the same district for nearly 55 years.

There were cheerleaders sporadically over the years. However, it became an official SFPAL Program in 1983. The Cheerleading Program has obtained national recognition for SFPAL since 1998.

Philosophy of SFPAL 49ers

The philosophy of the SFPAL 49ers is to provide a positive activity for youth. The intent of the program is not only teaching the basic fundamentals of football and cheerleading, but also to teach the importance of self-respect, sportsmanship, and academics. The program has a strong emphasis on scholastic achievement. Members of the SFPAL 49ers program truly believe that they can make a difference in the lives of youth participants. This is done by leading by example and by being a positive role model at all times.

The SFPAL Board of Directors holds oversight of all SFPAL programs. The Western Addition Committee, made up of the SFPAL Program Coordinator, 49ers SFPAL Police Officer Head Coaches oversees the SFPAL 49ers Football and Cheer Program and are supported by program volunteers. The SFPAL Program Coordinator and 49ers Police Officer Head Coaches of the SFPAL 49ers program are appointed by SFPAL's Board of Directors.

The SFPAL 49ers Program Coordinator and 49ers SFPAL Police Officer Head Coaches, with the support of the program volunteers and SFPAL Leadership, manage both football and cheer. The

SFPAL 49ers Program Coordinator reports to the SFPAL Board of Directors and directs the 49ers SFPAL Head Coaches.

Chain of Command

The SFPAL 49ers is one of several programs for the SFPAL. The Board of Directors holds the oversight of the entire program. The SFPAL 49ers program has an SFPAL Program Coordinator, who is appointed by the SFPAL Board of Directors. The majority of the board members are active or retired members of the San Francisco Police Department and community members.

Since SFPAL has an established Board of Directors, the chain of command is different than some of the other Bay Area Pop Warner Youth Football and Cheer programs.

The 49ers SFPAL Head Coaches (SFPD Officers) oversee both football and cheer. The SFPAL 49ers SFPAL Head Coaches report to the SFPAL Program Coordinator and SFPAL Board of Directors. The SFPAL 49ers Head Coaches (SFPD Officers) manage the volunteer (stipend) cheer head coach, and the volunteer football and cheer assistant coaches. Final approval on budgets, ordering of equipment, hiring, policy, etc. is managed by SFPAL staff and SFPAL Board of Directors.

The SFPAL 49ers program follows the **STAR** Pledge, which translates into achievable goals for all individuals involved in the program.

- **Skill Development**
Athletic skills

- **Team Work**
Always work to be my Best Self. for myself, for my team and the PAL.

Local League & Conference Complaints

Any inquires or complaints on a regional, national, or league level must be issued through the appropriate channels. The coaching staff should not submit any complaints or inquiries to the Pop Warner regional, national, or league office without advising and obtaining authorization to do so from the SFPAL Program Coordinator and SFPAL OIC.

If SFPAL 49ers Head Coaches or volunteer coaches would like to submit a formal complaint to a higher level, he or she must do so through the SFPAL Chain of Command.

Recruitment

All coaches and leadership are expected to assist with the recruitment of participants for the upcoming season. There are various ways to recruit within the SFPAL 49ers organization. The recruitment period usually begins in January and continues through the month of June. SFPAL will provide coaches and leadership with recruitment flyers and information to be handed out. There will be a basic SFPAL 49ers flyer with basic information and contact information for early outreach. A more detailed flyer with registration dates, times, and location will be distributed once Pop Warner forms are available – usual in April.

If you have recruitment ideas, please submit a recruitment proposal form for approval to the SFPAL 49ers Program Coordinator. Leadership and coaching staff will need approval before one can host or hold a recruitment event. Please be advised that these provisions are put into place to ensure the safety and welfare of youth. Failure to obtain appropriate authorization and approval will result in your removal from the event, and further consequences.

All recruitment material must have an SFPAL and SFPAL 49ers logo, and be approved by SFPAL before distribution.

The primary strategy for the recruitment of students is flyer distribution, which is completed by the SFPAL Program Coordinator, SFPAL 49ers Head Coach(es), and approved volunteers. This includes creating a flyer and delivering it to community centers and pushing it through digital channels.

Onsite recruitment will need to be scheduled and approved by the SFPAL Program Coordinator, and permission must be granted by SFUSD and the school principal. Proof of authorization form will be given to the point person by SFUSD.

Private/Catholic School Recruitment

The same protocol applies to private/catholic school recruitment. The distribution of flyers and requests for on-site recruitment must be approved by the SFPAL Program Coordinator and the

school's principal. The same safety concern that applies to children attending SFUSD also applies to children attending public and private schools.

Recruitment flyers will be distributed at the private/Catholic schools principal's meetings. Private/catholic school flyer distribution is organized and completed by the SFPAL Program Coordinator.

SECTION 2

Commitment and Professionalism

Any person actively participating in the SFPAL 49ers program must read, understand, and comply with all rules, regulations, and expectations set forth by SFPAL 49ers and Pop Warner.

All SFPAL 49ers assistant coach(es) positions are unpaid, with the exception of the SFPAL Program Coordinator and the SFPAL 49ers Head Coach(es). Assistant coaches and team parents are not allowed to solicit, borrow, or accept money or compensation of any kind from parents, participants, and spectators. In addition, assistant coaches and team parents are not allowed to fundraise or accept donations on behalf of SFPAL. See below Fundraising Policy (P.10) for further details.

Fundraising Policy

Assistant coaches and volunteers are not allowed to solicit, borrow, or accept money or compensation of any kind from parents, participants, and spectators. In addition, assistant coaches, volunteers, parents, or participants are not allowed to fundraise or accept donations on behalf of SFPAL. Volunteer coaches, volunteers, parents, or participants are strictly prohibited from using the San Francisco Police Activities League's (SFPAL) name or any variation thereof in any literature or online fundraising campaign to raise funds.

If a fundraising campaign is approved by the SFPAL Board of Directors for a specific program, the SFPAL Office will create an official fundraising letter for distribution to potential donors soliciting funds. Donors may forward a check (made payable to SFPAL) directly to the SFPAL Office or donate online at sfpal.org. Only an employee of SFPAL may collect the checks issued by donors and then must promptly submit them to the SFPAL Office for deposit. Funds may be restricted by the program, to a specific team, or to a specific player. To receive an official tax deduction letter from SFPAL, donors must submit their donations directly to the SFPAL Office or make an online donation.

If SFPAL collects donations benefiting a specific program, team, or player, those funds will be restricted for that specific purpose. If funds are restricted to a specific player for travel expenses **and** that player participates with the team in travel during the season for a Championship game, the child may be reimbursed for the number of funds raised by that child/parent and no more. Parents must obtain pre-approval from SFPAL prior to making travel plans in order to be reimbursed. Parents must submit documents; credit card statement showing payment of airfare, verifying that their child participated in the away game in order to be reimbursed. If funds that have been restricted to a specific child are not utilized during the given year of donation, the

those funds will continue to be restricted to that specific child and carried forward to the next season. If the child ages out of the program having never utilized the restricted funds, the funds will be absorbed by SFPAL for operational expenses for the same program.

If you have any further questions, please feel free to contact the SFPAL Office at any time.

ALL SFPAL 49ers Head coaches, volunteer coaches, and team parents are expected to conduct themselves in a professional and respectful manner at all times. Adult participants are looked up to as positive role models for youth and should conduct themselves accordingly at all times.

Violations of rules, regulations, and expectations may result in an immediate suspension or termination from the SFPAL 49ers program and Bay Area Pop Warner at any time.

All Head coaches and volunteer coaches shall attend all required meetings, clinics, and other program-related activities as requested by SFPAL and Bay Area Pop Warner. SFPAL Head Coaches and SFPAL OIC are required to attend meetings throughout the year as well as before, during, and after the season.

ALL SFPAL 49ers assistant coaches and volunteers are required to complete a volunteer application and undergo a background check.

SECTION 3

Criminal Clearance Policies and Procedures

FINGERPRINTING/LIVESCANNING IS MANDATORY FOR EVERY ADULT PARTICIPATING IN THE SFPAL 49ERS PROGRAM!

*SECTION 11105.3 of the California Penal Code allows agencies such as SFPAL who have volunteer coaches and other volunteers supervising to request criminal histories through the Department of Justice.

It is mandated by SFPAL 49ers and National Pop Warner that any adult providing supervision, coaching, management, or instruction to a registered SFPAL 49ers participant or team, go through a criminal background check via Live Scan fingerprinting. You will need background clearance **before** you can participate in any SFPAL 49ers activities! SFPAL 49ers will cover the cost of Live Scan for those who get fingerprinted by the organization contractor, ID Solutions.

It is SFPAL 49ers policy that any adult convicted, cited, arrested, or detained for illegal activity within 7 years of application **may not** coach, manage, supervise, or instruct any SFPAL 49ers youth or team or take part in any SFPAL 49ers position. Please note, serious violations or convictions that occurred more than 7 years of application will be reviewed individually and can result in the **exclusion** of the SFPAL 49ers Football and Cheer program.

A volunteer coach may appeal to the SFPAL Review Committee, and in some cases, an exception to this policy may be made at the discretion of the SFPAL Review Committee. Any arrests or convictions related to weapons, violence, and child abuse/neglect will automatically result in dismissal from SFPAL and the 49ers programs.

If the volunteer in question is dissatisfied with the decision of the background review committee, then the volunteer coach in question may ask to appeal to the entire SFPAL Board of Directors.

Every effort will be made to notify the volunteer in question if there is an issue with his or her background check. Please note, SFPAL 49ers Live Scan systems notifies the organization if the

volunteer has been convicted, cited, arrested, or detained for illegal activity after the initial fingerprinting – this is considered a wrap-around hit.

Under no circumstances may an adult who has yet to be cleared by SFPAL background check be substituted in any SFPAL 49ers positions. If this happens, an appropriate SFPAL 49ers member will be suspended, at a minimum of one game or week.

SECTION 5

Risk Management & Liability

The intent of the SFPAL 49ers is to teach basic fundamentals of youth football and cheerleading. As in any sport or athletic program, there are physical risks. Therefore, coaches must adhere to mandated rules and regulations as stated in the Pop Warner national rule book in regards to practice, game day or competition preparation, required documentation and physical examinations, safe equipment, and mandatory conditioning hours.

Every coach must ensure that the safety and welfare of each youth participant is a priority. Therefore, attendance at clinics is required. Furthermore, head coaches must not only attend clinics but must also undergo a mandatory certification of completion. The certification must be on file with Pop Warner and kept in the certified team book at all times.

It is the responsibility of every coach to review and understand the accompanying Pop Warner Coaches' Risk Management Handbook located in the back of this section. This information was obtained from the Pop Warner Website.

Failures to follow, implement, and comply with SFPAL 49ers and Pop Warner rules and regulations may have serious consequences for coaches, organizations, and Pop Warner. Possible actions are suspension, probation, termination, and immediate release from SFPAL 49ers Program and Pop Warner.

SECTION 6

Inquiry Process, Conflict Resolution, and Parent Responsibilities

The parents, guardians, and supporters of the SFPAL 49ers participants represent an impressive cross-section of our community. All persons associated with SFPAL 49ers must recognize that the public and our competitors often perceive their actions and behavior as a representation of SFPAL 49ers. It is extremely important that all SFPAL 49ers parents, players, and fans act as ambassadors of the SFPAL 49ers organization. One of the main goals of this organization is to provide a fun and rewarding experience for youth participants, coaches, and parents. Respectful and effective communication is important for all involved parties. Therefore it is important for everyone to understand the importance of rules regulations, expectations, appropriate conduct, etc. SFPAL 49ers will provide assistance to distribute information through email, hard copies, handout, etc. However, coaches are expected to communicate directly with their teams and parents. Coaches are expected to hold monthly parent meetings to keep parents apprised of deadlines, rules, and regulations, consequences related to disciplinary action when necessary, disbursement and collection equipment, etc.

SECTION 7

Aside from all the paperwork and information needed, players will need to take part in Pop Warner's player certification day prior to the first game. This is mandatory for all players!

SECTION 8

Projected Costs for Regional, National, and Post-Season Events

Pop Warner has postseason championships events. These events may require travel outside of the San Francisco Bay Area. During regional and national events representatives of SFPAL will represent the GGGC in the Pacific North West Region. The Pacific North West Region consists of teams from the states of California, Nevada, Washington, Oregon, and Alaska. There are a total of eight regions across the United States.

Pop Warner Regional Championships

The Pop Warner Regional Championships are usually held in Santa Clara and/or Redwood City, California. The entry fee into the Regional championships ranges from \$300.00 to \$350.00 per team. This fee is covered by SFPAL. However, the other anticipated cost for hotel, meals, and transportation must be paid by the parents of SFPAL 49ers participants. The winner of each Regional Championship Football game and the first and second place winners in the cheerleading/dance team competition will advance to the Pop Warner National Championships.

Pop Warner National Championships

The Pop Warner National Championships is held in Orlando, Florida. The cost to attend this event is expensive. SFPAL will offer various fundraising activities. However, the responsibility for the cost of this trip is on the parents. Please be advised that Pop Warner mandates for all youth participants and coaches to reside at the same resort on Walt Disney World property. They must stay at the same hotel as a team. This mandate is non-negotiable. However, parents and other spectators may stay at any hotel they choose.

Projected Cost

Cheerleaders' ranges from: \$850.00 to \$1,100.00

Football Players ranges from: \$1,250.00 to \$1500.00.

These prices do not include food or spending money. It only covers the estimated cost for airfare, hotel, lodging, Hopper Passes, and ground transportation to and from the airport. The actual amount will depend on the final cost for airline tickets and hotel package. Hopper passes provide open admission to several Amusement Parks at Disney World. The use of the hopper passes saves a significant amount of money in lieu of paying separate admission fees at each entry gate. The cost for football players is more expensive because football players are required to stay for a longer period of time than cheer-leaders. Members of Mighty Mite football teams and cheer/dance squads are not eligible to participate in Pop Warner national events.

Travel Arrangements

All travel arrangements for SFPAL Youth participants and coaches will be handled by the parents of the participants. Parents who choose to attend this event may make their own travel arrangements. Please be advised that parents will not be able to make travel arrangements for any youth that will be playing football or competing in a cheerleading or dance team competition in Orlando, Florida. All youth participants and coaches will travel together as a team. Itemized cost and additional information will be distributed during the month of October. Please be advised that the projected cost is subject to change on short notice.

Post-Season Events

Pop Warner has a series of postseason games, competitions, and events. Each team within the Jr. Pee Wee through Midget Division has an opportunity to advance on to postseason play. The opportunities are determined by win and loss records and rankings.

Charts of the possible opportunities for post-season events will be distributed by the SFPAL 49ers Director, SFPAL Program Coordinator, Cheer/Football leads, or coaches at the beginning of the season.

SECTION 9

Equipment, Uniforms, and Supplies

It is expensive to fully equip football players and cheerleaders to participate in the SFPAL 49ers Football and Cheerleading program. Equipment must be collected and tracked each season.

It is the responsibility of the coach to ensure equipment and uniforms are being distributed and collected for their team. Failure to collect and track equipment and uniforms may impact the head coach's assignments moving forward.

Upon the collection of equipment and uniforms, the coach must make arrangements to submit an inventory and give all of the items to the SFPAL 49ers Director or Cheer/ Football within one week of the completion of the season.

Volunteers are expected to assist with the distribution and collection of all equipment that is required to be returned at the end of the season which include but is not limited to, shoulder pads, helmets, practice & games jerseys & pants, pads, pom-poms, skirts, shell tops, footballs first aid supplies, dance costumes, etc.

A coach or designate is responsible to collect the equipment at the end of each season. If a participant quits or fails to show up for practice for over five days the coach or designate must contact the parents to verify their child's future participation. In the event, that child no longer plans to participate the coach or designee must make arrangements to collect the equipment/uniforms within five business days.

If a participant quits the team, the coach or designee must make arrangements to collect the equipment/uniform within three business days.

On the day of the last football game, the coach must make provisions to collect the equipment and uniforms from each participant on the team. If a child does not attend the last game the coach or designee must make arrangements to collect the equipment within five business days.

SECTION 10

Scholastics

Pop Warner Little Scholars, Inc. (PWLS) is the only national youth sports organization in America that requires its participants to perform adequately in the classroom before permitting them to play. We believe that the standards we have set give these children a sense of responsibility and an appreciation for academics and athletics that will help them develop later on in life. Like such organizations as the National Collegiate Athletic Association (NCAA) and National Federation of High Schools (NFHS), PWLS has academic guidelines and criteria that need to be met in order for a child to participate.

Scholastic Fitness: The National Policy

Proof of satisfactory progress in school is required. A 2.0/70% or the equivalent shall be the minimum grade point average acceptable to participate. In cases of doubt, conflict of opinion, or if a valid report card is not submitted, the nationally published scholastic eligibility form shall be used and deemed final.

NOTE: This rule as it relates to scholastic grades may not be made more stringent by any team, association, or league, as other rules may be. No local team/squad may be allowed to participate in Regional/National sponsored championships or bowl games if it has not met the nationally published scholastic requirements.

What If I Don't Have a 2.0/70% GPA?

We understand that not all student-athletes are able to meet our scholastic requirements. If a child does not meet the requirements of scholastic fitness, he/she may fill out and submit a Scholastic Eligibility Form. This form is to be completed by those participants in the Pop Warner program that have not met the National Scholastic Requirement of 70 percent and/or 2.0 Grade Point Average (GPA) at the time of certification. If no progress report or report card is provided within the deadlines as indicated by the SFPAL 49ers coaches, SFPAL Program Coordinator or SFPAL 49ers Cheer/ Football Lead the player shall be found ineligible for the rest of the year.

Pop Warner All-American Scholar Program

Each year, the most academically accomplished Pop Warner kids compete for Academic All-American status. This process begins at the association level and up through each of the eight Pop Warner regions to the national level.

The PWLS All-American Program requires a minimum 96% grade point average to apply for All-American status. After the applications have been processed, Pop Warner determines National First Team All-Americans (35 football, 35 cheer per grade), National Second Team All-Americans, and National Honorable Mention Scholars.
