

SFPAL / SF Rec & Park BASKETBALL

PARENTS & COMMUNITY MEMBERS:

Organize a Youth Basketball Team for your Child or School!

HERE'S HOW!

In these five EASY steps you can organize a basketball team and register with SFPAL & SFRP Fall Basketball League!

1. **Find a parent or an adult to be a coach!** 1 coach is needed to make a team (or more, no maximum.) Each coach needs to sign the adult waiver of liability form and register online. In addition, each coach needs to be fingerprinted (at no cost) and be cleared to coach. Please contact the office at 415-401-4666 to get details.

*Note: Your coaches must have fingerprints **CLEARED before** you come into register.*

2. **Find 8 players** (up to 15 players) from the same grade; third through eight grade teams accepted. (Note: A player is allowed to “play up” one grade, ex. 2nd grader can play in 3rd grade division. NO AGE WAIVERS to play down.) ***If you need more players, that's okay! We have a waiting list of kids eager to find a team.***
3. **Collect waivers and enter information online.** Go online at www.sfpal.org to get registration forms for your team. Each parent/guardian needs to fill out a liability waiver. All player information also needs be entered into PAL's registration database (either by the coach or parent/guardian.) The coach or team manager should collect waivers and payment and bring them into the PAL office on a registration date, see below. **The cost per player is \$35 for SFPAL teams.**
4. **Call to make an appointment** for one of the following registration sessions:
 - a. Monday-Thursday August 23rd-26th 10am-4pm
 - b. Monday-Thursday August 30th-September 2nd 10am-4pm
 - c. Monday-Thursday September 6th-10th 10am-4pm
 - d. Friday August 27th; September 3rd; September 10th 9am-12pm
 - e. NEW!!! Sat. Sept. 11th by appointment only.
5. **Once you've made your appointment, come on in! Make sure you have all of the above and have collected your team fees. You will receive your “official roster” once registration is complete and YOU HAVE A TEAM!**
